FS280 is used as a beveled intermediate piece to join two sections of paneling for 1” thick wall finishing installations. Available in a natural color. Pantone Match Color Available. (Lead times & minimum quantities apply)

This Track is perfect for use with our Fabric Wall Finishing System. Combined with our ReCore® Backing and Fabric, this track can be used to create anything from full-wall photographic murals to smaller acoustic or bulletin-board panels as well as Wainscoting and other types of Wall-Protection.
