FS150 HF can be used as a perimeter, intermediate piece and as an inside corner piece for 1" square profile installations. FS150 HF is built with more channel space to accommodate heavier fabrics. Available in a Natural or Black.

This Track is perfect for use with our Fabric Wall Finishing System. Combined with our ReCore® Backing and Fabric, this track can be used to create anything from full-wall photographic murals to smaller acoustic or bulletin-board panels as well as Wainscoting and other types of Wall-Protection.
